 71/100 Pallama,
Matihakka,
Matale.

Skills

- SolidWork
- AutoCad
- C
- MATLAB
- Python
- PLC

Language

- English
- Sinhala

Education

Mechanical Engineering undergraduates

University of Peradeniya
Faculty of Engineering
GPA 3.3

Projects

- Gaming arcade Tik Tak Tor Game (Group)
 - Arduino, Python
- 2023 Ruhuna XbotiX Robotic competition (Group)
 - Arduino
- 2024 SLRC Robotic competition (Group)
 - Arduino, Python,
- Product design Project (Individual)
 - Solidworks
- Machine Design mini project (Group)
 - Solidworks

Personal Details

| | |
|----------------------|--|
| Name | Ekanayaka Mudiyanse Lage Isuru Udaranga Wijerathna |
| Nationality | Sri Lankan |
| Date of Birth | 21st October 2001 |
| Gender | Male |
| National Id | 200129500204 |

Reference

Professor Primal Fernando,
Department of Mechanical Engineering,
Faculty of Engineering, University of Peradeniya

Phone-office: 0094 (0)81 2393608

I hereby certify that all the above information provided is true and accurate to the best of my knowledge
